

Public Notice of Request for Proposals

Enterprise Clinical Information System Implementation and Interoperability Services

Winston County Medical Foundation dba Winston Medical Center

17550 East Main Street, Louisville, Mississippi 39339

RFP WMC-RHTP-2026-001 | Procurement MS-P0011

Winston Medical Center invites competitive proposals for one-time enterprise clinical information system implementation and interoperability services. Qualified providers, health system hosts, and implementation teams may propose Epic Community Connect or an equivalent approach meeting the RFP requirements.

Proposals must be received by email no later than November 16, 2026 at 2:00 p.m. Central Time. Obtain the complete RFP and addenda, submit questions, and email proposals to Matt Woodward, CFO, at mwoodward@winstonmedical.org. Use the RFP number and proposer name in the submission subject line.

WMC seeks an implementation timeline and cost proposal that assumes services may be invoiced through July 15, 2027, so that payment can be finalized by July 31, 2027. WMC must submit proof of payment under the grant no later than August 15, 2027. July 31 is the expenditure deadline; operational go-live may occur later.

Selection will consider clinical fit and interoperability, price, and the other factors ranked in the RFP. WMC may reject proposals or cancel the solicitation for documented reasons. Small, minority-owned, women-owned, veteran-owned, and labor-surplus-area businesses are encouraged to participate.
