Network Switch Wireless and UPS Infrastructure Modernization

Winston County Medical Foundation dba Winston Medical Center

17550 East Main Street, Louisville, Mississippi 39339

RFP WMC-RHTP-2026-002 | Procurement MS-P0010

Winston Medical Center invites competitive proposals for enterprise technology infrastructure modernization, including 30 network switches, 47 wireless access points, 10 UPS units, associated accessories and licensing/support, and installation, configuration, testing, documentation, and handoff. Qualified vendors and implementation teams may propose the reference equipment or equivalent solutions meeting the complete RFP requirements.

Proposals must be received by email no later than November 16, 2026 at 2:00 p.m. Central Time. Obtain the complete RFP and addenda, submit questions, and email proposals to Matt Woodward, CFO, at mwoodward@winstonmedical.org. Use the RFP number and proposer name in the submission subject line.

WMC seeks delivery and implementation proposals assuming invoicing through July 15, 2027, with completed work and payment by July 31, 2027. WMC must submit its final reimbursement request and proof of payment by August 15, 2027.

Selection will consider technical fit and interoperability, price, and the other factors ranked in the RFP. WMC may reject proposals or cancel for documented reasons. Small, minority-owned, women-owned, veteran-owned, and labor-surplus-area businesses are encouraged to participate.
